FOSTER CITY TENNIS COURTS RE-OPENING UPDATE

The City of Foster City began to re-open the tennis courts on June 1. Restrictions and guidelines apply. The City is basing its re-opening determinations on data from the county and city health officials as well as compliance on the part of players. We have been told that due to a number of non-compliance issues, the City has decided to modify some of its current operational policies. Below is a link for the latest information from the City. As always, please don't hesitate to contact the club with any questions or concerns. We will be sure to follow-up your communications with the appropriate resource and re-connect with you when we receive a response.
