

THE COURT

“The Court Is Where The Action Happens!”

Now (Near Term)

RE-OPENING

The Club's leadership has been heads-down making plans for when we restart our USTA and SFPTL Leagues.

As the county and city health officials approve crucial aspects of tennis, the club is currently planning to participate in league play beginning in August.

Additionally, we are putting together our Events Committee to discuss what events we may or may not be able to have for the balance of the year. A list of the potential events for 2020/2021 is below.

Soon (Mid Term)

BUILDING THE FUTURE

As we focus on league play and restarting social events that we can do safely, we concentrate on three areas to put our resources:

1. Communicate with the City, USTA NorCal and the County
2. Educate and Orientate our players and Captains regarding safety and health guidelines and protocols
3. Create a Social Event document to define what measures need to be taken to safely hold social gatherings

Down the Road (Long Term)

GROWTH & OUTREACH

The Board of Directors is taking this opportunity to work on a multi-year strategic plan that aligns with the club's goals of growing league, social and regional participation.

As we plan to deliver on the 50/50/50 strategy, we will strive to increase social play, maintain our strong league position, build regional membership marketing and significantly increase value add to our members by implementing a number of new benefits and services.

More to come, stay tuned!

OTHER CLUB NEWS

Governance

The Governance Committee is busy working on revising the by-laws of the club to align them with who the club is today and the goals it wants to achieve. When the process is completed and approved by the Board of Directors the by-laws will be posted on the FCTC website.

Government Relations

Dale is working tirelessly to create consistent communications and partnerships with the City of Foster City, the County of San Mateo and USTA NorCal. He worked closely with them to promote the understanding of the safety of tennis that supported the opening up of recreational and league tennis.

Volunteers

The Board of Directors and Nominating Committee are actively looking for a person to Chair the Volunteers Committee. The committee will build a roster of individuals who are ready to volunteer to help the club with its events and other activities.

Possible 20/21 Events

Considering, of course the health and safety guidelines we all must live by, we are looking at a list of possible events for 2020 and 2021 including: Fall Fun Day; Woodie/Wimbledon Day; Coaching/Instruction/Demo Day; CityFest; Summer Days Festival; Annual General Meeting; Intro to League Day; Bring A Guest Tennis Social; Summer Tennis Kick-Off; Alternate Scoring Day

Events Committee

To plan and execute our 20/21 series of events, the BOD has created the Events Committee. We're currently bringing onboard a Chair for the committee who will recruit a number of committee members (want to be one?) to finalize the plan and implement it beginning this fall (Covid willing).

Covid Play Training and Education

Next month we'll kick-off a schedule of Zoom/Webinar training sessions to give Team Captains the tools and knowledge they need to safely manage their teams and conduct their league matches. We'll be publishing times and instructions for the webinar sessions.
